Charles H. Hazard served as a Private in CO.G 26th Regiment, New York 5V during the Civil War.

As do to a fire in 1900 of the townhall;all records were destroyed and whatever information regarding these families might have been recorded is gone.

Norman Johnson who resides in Saranac Lake may know something regarding the Hazard families.

Sorry that I can't get more information for you, but hope that this will help a little.

Sincerely,

Mary Gonyea
