In such case, the license fee for the dog shall be the same as for a spayed or neutered dog as set forth in subdivision one of section one hundred ten of this article.

(e) Upon validation by the clerk, authorized dog control officer or authorized pound or shelter manager, the application shall become a license for the dog described therein.

(f) The clerk, authorized dog control officer or authorized pound or shelter manager shall: (i) provide a copy of the license to the owner; (ii) retain a record of the license that shall be made available upon request to the commissioner for purposes of rabies and other animal disease control efforts and actions. (a) recovering costs associated with enumeration conducted pursuant to subdivision six of section one hundred thirteen of this article should a dog be identified as unlicensed during such enumeration. Such additional fee shall be the property of the licensing municipality and shall be used to pay the expenses incurred by the municipality in conducting the enumeration. In the event the additional fees collected exceed the expenses incurred by the municipality in conducting an enumeration in any year, such excess fees may be used by the municipality for enforcing this article and for spaying or neutering animals; and

(b) offsetting costs associated with the provision and replacement of identification tags pursuant to section one hundred eleven of this article.

§ 111. Identification of dogs. 1. Each dog licensed pursuant to subdivision one of section one hundred nine of this article shall be assigned, at the time the dog is first licensed, a municipal identification number. provided that municipalities may exempt dogs participating in a dog show during such participation. Such a tag shall be affixed only to the collar of a dog owned by the holder of the purebred license and harbored on his premises.

4. A municipality offering a license for any guide dog, service dog, hearing dog or detection dog may issue a special tag for identifying such dog, provided that such tag shall be in addition to the identification tag required by subdivision one of this section. The municipality may prescribe the shape, size, color, and form of imprint of the tag which shall be a different color and shape than the standard identification tag. Upon application, the commissioner shall furnish such tags without payment of a fee.

§ 112. Change of ownership; lost or stolen dog. 1. In the event of a change in the ownership of any dog which has been licensed pursuant to this article or in the address of the owner of record of any such dog, the owner of record shall, within ten days of such change, file with the municipality in which the dog is licensed a written report of such change. § 117-a. Animal population control program. 1. The entity chosen to administer such program shall enter into a contract with the state for a term of five years, which may be renewed subject to the approval of the commissioner. The purpose of this program shall be to reduce the population of unwanted and stray dogs and cats thereby reducing incidence of euthanasia and potential threats to public health and safety posed by the large population of these animals. This program shall seek to accomplish its purpose by encouraging residents of New York state who are the owners of dogs and cats to have them spayed or neutered by providing low-cost spaying and neutering services to such owners meeting the criteria enumerated in subdivision three of this section. For purposes of this section, "low-cost" shall mean substantially less than the average cost in a particular region of the state for spaying or neutering services, including any and all ancillary changes for services, including but not limited to, presurgical examinations, tests and immunizations, and other services related to the spay or neuter procedure. All veterinary services provided pursuant to this section must be performed by a veterinarian licensed in this state.

2. Eligible not-for-profit entities shall consist of duly incorporated societies for the prevention of cruelty to animals, duly incorporated

humane societies, duly incorporated animal protective associations, or duly incorporated non-profit corporations that have received designation as 501(c)(3) entities by the Internal Revenue Service and which entities are operating as animal rescue organizations, animal adoption organizations, spay/neuter clinics, or other entities whose core mission predominantly includes statewide efforts to manage the companion animal population in New York state. In awarding the contract, the commissioner must consider the following criteria with respect to each applicant: its experience in providing low-cost spay-neuter services, the scope of services it provides, the length of time it has been operating, its financial history, its demonstrated ability to work with outside organizations and community groups, and the proposed cost of administering and promoting the program. In choosing such entity, the commissioner may establish other criteria for making his or her selection in consultation with veterinarians, representatives from animal advocacy and welfare organizations, and municipalities. The selection of the administrative entity overseeing the state animal population control fund must be completed no later than December thirty-first, two thousand ten.

(a) The administrative entity chosen by the commissioner shall review plans submitted for approval and funding of low-cost spay-neuter programs and award grants for the animal population control fund for implementation of such plans. In reviewing the plans, the entity shall consider the following criteria: the method of providing low-cost spay-neuter services, including an anticipated fee schedule for such services, the size and need of the population served, the plan for outreach and promotion of such services, experience in providing low-cost spay-neuter services and cost-effectiveness of the overall plan. In awarding grants, the entity shall use best efforts to provide statewide distribution of funding.

(b) (i) Upon approving a plan submitted pursuant to this section, the administrative entity shall award a grant for the creation and implementation of such plan.

(ii) Upon approving a plan submitted for approval and funding of all other spay-neuter programs, the administrative entity shall award grants for the ongoing administration of low-cost spay-neuter services. Payments against such grants shall be advanced quarterly. Any remaining funds at the end of the grant period shall be remitted to the animal population control fund.

(iii) Any grants made pursuant to this section may be discontinued if it is found by the administrative entity that funds previously disbursed were not used for their intended purpose or that services performed were not provided according to the terms and conditions as the administrative entity shall provide.

(c) An administrative entity selected pursuant to this section shall use proceeds from the animal population control fund to pay for reasonable expenses incurred in operating the low-cost spay-neuter program, but is hereby authorized to solicit funds from other public and private sources.

(d) Such administrative entity shall submit an annual report to the governor, the temporary president of the senate, the speaker of the assembly, the minority leader of the senate, the minority leader of the assembly, and the commissioner. (f) If the administrative entity cannot perform its obligations pursuant to its contract, or if it is determined by the commissioner that it is not performing its obligations in a satisfactory manner, the commissioner may cancel such contract and issue another request for proposals from other entities to administer the program.

3. In order to be eligible to participate in the animal population control program, and therefore, be entitled to the low-cost spay/neuter services provided for herein, an owner of a dog or cat shall be a resident of New York state and shall submit proof to the entity providing such services as follows:

- (b) was adopted from an otherwise qualifying pound, shelter, duly incorporated society for the prevention of cruelty to animals, duly incorporated humane society or duly incorporated dog or cat protective association which included the cost of a spaying or neutering procedure in the cost of the adoption.

5. Any county is hereby authorized to establish and implement an animal population control program within its jurisdiction. Any county creating its own program may submit a plan to the administrative entity for such program for approval and to receive funding from the animal population control program. Such plan shall include but not be limited

to the criteria described in paragraph (a) of subdivision two of this section.

6. Any county which has created its own program, which has been approved by the administrative entity pursuant to this section, may receive the funds collected by the municipalities within the county pursuant to subdivision three of section one hundred ten of this article for the sole purpose of administering such program. Such county program shall be subject to this article and the terms and conditions of the animal population control program, as may be amended from time to time.

7. Any municipality within a county that does not have its own program approved by the administrative entity pursuant to subdivision two of this section must submit the funds collected pursuant to subdivision three of section one hundred ten of this article to the animal population control fund pursuant to section ninety-seven-xx of the state finance law.

8. In the absence of a county animal population control program, entities described below within such county may, pursuant to subdivision two of this section, apply for funds from the animal population control fund described in section ninety-seven-xx of the state finance law for the sole purpose of providing low-cost spay and neuter services in their service area. In the event that the service area of an entity encompasses two or more counties, such entity may apply and receive funding from the animal population control fund to serve such portion of their service area that is not covered by an existing county animal population control program. Such entities shall include pounds, duly incorporated societies for the prevention of cruelty to animals, duly incorporated humane societies, duly incorporated animal protective associations and duly incorporated nonprofit corporations that have received designation as a 501(c)(3) organization by the Internal Revenue Service, which entities are operating as animal rescue or adoption organizations. Any such entity must also be in good standing with the charities bureau of the office of the attorney general and with the secretary of state.

9. The administrative entity shall establish reporting requirements for any entity awarded funding through the animal population control program, and any other protocols necessary to ensure appropriate and effective use of monies disbursed pursuant to this section.

- (g) any owner of a dog to fail to notify the municipality in which his or her dog is licensed of any change of ownership or address as required by section one hundred twelve of this article.

2. It shall be the duty of the dog control officer of any municipality to bring an action against any person who has committed within such municipality any violation set forth in subdivision one of this section. Any municipality may elect either to prosecute such action as a violation under the penal law or to commence an action to recover a civil penalty.

A violation of this section shall be punishable, subject to such an election, either:

- (a) where prosecuted pursuant to the penal law, by a fine of not less than twenty-five dollars, except that (i) where the person was found to have violated this section or former article seven of this chapter within the preceding five years, the fine may be not less than fifty dollars, and (ii) where the person was found to have committed two or more such violations within the preceding five years, it shall be punishable by a fine of not less than one hundred dollars or imprisonment for not more than fifteen days, or both; or
- (b) where prosecuted as an action to recover a civil penalty, by a civil penalty of not less than twenty-five dollars, except that (i) when the person was found to have violated this section or this article within the preceding five years, the civil penalty may be not less than

3. A defendant charged with a violation of any provision of this article or any local law or ordinance promulgated pursuant thereto may plead guilty to the charge in open court. He or she may also submit to the magistrate having jurisdiction, in person, by duly authorized agent, or by registered mail, a statement (a) that he or she waives arraignment in open court and the aid of counsel, (b) that he or she pleads guilty to the offense charged, (c) that he or she elects and requests that the charge be disposed of and the fine or penalty fixed by the court, (d) of any explanation that he or she desires to make concerning the offense charged, and (e) that he or she makes all statements under penalty of perjury. Thereupon the magistrate may proceed as though the defendant had been convicted upon a plea of guilty in open court, provided however, that any imposition of fine or penalty hereunder shall be deemed tentative until such fine or penalty shall have been paid and discharged in full. If upon receipt of the aforesaid statement the magistrate shall deny the same, he or she shall thereupon notify the defendant of this fact, and that he or she is required to appear before the said magistrate at a stated time and place to answer the charge which shall thereafter be disposed of pursuant to the applicable provisions of law.

4. Any person who intentionally refuses, withholds, or denies a person, because he or she is accompanied by an on-duty police work dog, working search, war, or detection dog as defined in section one hundred eight of this article, any accommodations, facilities, or privileges thereof shall be subject to a civil penalty of up to two hundred dollars for the first violation and up to four hundred dollars for each subsequent violation.

§ 119. Disposition of fines. Notwithstanding any other provision of law, all moneys collected as fines or penalties by any municipality as a result of any prosecution for violations of the provisions of this article or any local law or ordinance and all bail forfeitures by persons charged with such violations shall be the property of the municipality and shall be paid to the financial officer of such municipality. Such moneys shall be used only for controlling dogs and enforcing this article and any rule, regulation, or local law or ordinance adopted pursuant thereto, including subsidizing the spaying or neutering of dogs and any facility as authorized under section one hundred sixteen of this article used therefor, and subsidizing public humane education programs in responsible dog ownership.

§ 120. Protection of deer. 1. Whenever the governing body of any municipality shall determine that the deer population in the municipality or part thereof is suffering severe depredation due to dogs attacking, chasing or worrying deer, such governing body may by order require that all dogs in such municipality or part thereof shall be securely confined during the period of time designated in the order or, if no time is designated, until the order is revoked.

2. Notice of such order shall be given by publication in a newspaper or newspapers of general circulation in said municipality which shall be designated by such governing body and by filing a copy of the order in the office of each clerk in the area affected by such order. Such order shall be in full force and effect at the expiration of twenty-four hours following publication of such notice.

3. If any dog is not confined as required by such order, any dog control officer, peace officer, acting pursuant to his special duties, or police officer shall seize such dog. Any dog so seized shall be subject to the provisions of section one hundred eighteen of this article. A dog shall not be deemed to be in violation of such order if accompanied by and under the full control of the owner.

4. If any dog, which is not confined as required by such order, shall

attack, chase or worry any deer, any dog control officer, peace officer, acting pursuant to his special duties, or police officer upon witnessing the same, shall destroy, or seize and destroy, such dog, and no liability in damages or otherwise shall be incurred on account of such destruction.

5. If any dog shall kill or cripple any deer, the owner shall be subject to a civil penalty in the amount of one hundred dollars for the first deer killed or crippled by the dog or by the pack of dogs, if any, of which the dog was a member, and in the amount of one hundred fifty dollars for each additional deer killed or crippled, to be recovered in an action brought by the commissioner of environmental conservation on behalf of the people of the state of New York.

6. This section and any order issued pursuant thereto shall not apply to dogs in special dog training areas or shooting preserves enclosed and licensed pursuant to the provisions of the environmental conservation law, while such dogs are under the control of the owner or trainer.

§ 121. Night quarantine. 1. The governing body of any municipality may at any time by order require that all dogs in such municipality shall be securely confined between sunset and one hour after sunrise during the period of time designated in the order, or, if no time is so designated, until the order is revoked.

2. Notice of such order shall be given by publication in a newspaper or newspapers of general circulation in said municipality which shall be designated by such governing body and by filing a copy of the order in the office of each clerk in the area affected by such order.

3. Any dog control officer, peace officer, acting pursuant to his special duties, or police officer shall destroy or seize any dog not confined as required by such order, and no liability in damages or otherwise shall be incurred on account of such destruction or seizure. Any dog so seized shall be subject to the provisions of section one hundred eighteen of this article. A dog shall not be deemed to be in violation of such order if accompanied by and under the full control of the owner.

§ 122. Local laws or ordinances. 1. Any municipality may enact a local law or ordinance upon the keeping or running at large of dogs and the seizure thereof, provided no municipality shall vary, modify, enlarge or restrict the provisions of this article relating to rabies vaccination

and euthanization.

2. Such local law or ordinance may:

(a) impose penalties for violation of such restrictions to be recovered in a civil action in the name of such municipality;

(b) provide for enforcement by fine or imprisonment for any such violation; or

(c) provide for the issuance pursuant to the criminal procedure law of an appearance ticket, or in lieu thereof, a uniform appearance ticket, or in lieu thereof, a uniform appearance ticket and simplified information, as provided in section one hundred fourteen of this article, by any dog control officer, peace officer, acting pursuant to his special duties, or police officer, who is authorized by any municipality to assist in the enforcement of this article for any such violation.

§ 123. Dangerous dogs. 1. Any person who witnesses an attack or threatened attack, or in the case of a minor, an adult acting on behalf of such minor, may make a complaint of an attack or threatened attack upon a person, companion animal as defined in section three hundred fifty of this chapter, farm animal as defined in such section three hundred fifty, or a domestic animal as defined in subdivision seven of section one hundred eight of this article to a dog control officer or police officer of the appropriate municipality. Such officer shall immediately inform the complainant of his or her right to commence a proceeding as provided in subdivision two of this section and, if there is reason to believe the dog is a dangerous dog, the officer shall forthwith commence such proceeding himself or herself.

2. Any person who witnesses an attack or threatened attack, or in the case of a minor, an adult acting on behalf of such minor, may, and any dog control officer or police officer as provided in subdivision one of this section shall, make a complaint under oath or affirmation to any municipal judge or justice of such attack or threatened attack. Thereupon, the judge or justice shall immediately determine if there is probable cause to believe the dog is a dangerous dog and, if so, shall issue an order to any dog control officer, peace officer, acting pursuant to his or her special duties, or police officer directing such officer to immediately seize such dog and hold the same pending judicial determination as provided in this section. Whether or not the judge or justice finds there is probable cause for such seizure, he or she shall,

within five days and upon written notice of not less than two days to the owner of the dog, hold a hearing on the complaint. The petitioner shall have the burden at such hearing to prove the dog is a "dangerous dog" by clear and convincing evidence. If satisfied that the dog is a dangerous dog, the judge or justice shall then order neutering or spaying of the dog, microchipping of the dog and one or more of the following as deemed appropriate under the circumstances and as deemed necessary for the protection of the public:

(a) evaluation of the dog by a certified applied behaviorist, a board certified veterinary behaviorist, or another recognized expert in the field and completion of training or other treatment as deemed appropriate by such expert. The owner of the dog shall be responsible for all costs associated with evaluations and training ordered under this section;

(b) secure, humane confinement of the dog for a period of time and in a manner deemed appropriate by the court but in all instances in a manner designed to: (1) prevent escape of the dog, (2) protect the public from unauthorized contact with the dog, and (3) to protect the dog from the elements pursuant to section three hundred fifty-three-b of this chapter. Such confinement shall not include lengthy periods of tying or chaining;

(c) restraint of the dog on a leash by an adult of at least twenty-one years of age whenever the dog is on public premises;

(d) muzzling the dog whenever it is on public premises in a manner that will prevent it from biting any person or animal, but that shall not injure the dog or interfere with its vision or respiration; or

(e) maintenance of a liability insurance policy in an amount determined by the court, but in no event in excess of one hundred thousand dollars for personal injury or death resulting from an attack by such dangerous dog.

3. Upon a finding that a dog is dangerous, the judge or justice may order humane euthanasia or permanent confinement of the dog if one of the following aggravating circumstances is established at the judicial hearing held pursuant to subdivision two of this section:

(a) the dog, without justification, attacked a person causing serious physical injury or death; or

(b) the dog has a known vicious propensity as evidenced by a previous unjustified attack on a person, which caused serious physical injury or death; or

(c) the dog, without justification, caused serious physical injury or death to a companion animal, farm animal or domestic animal, and has, in the past two years, caused unjustified physical injury or death to a companion or farm animal as evidenced by a "dangerous dog" finding pursuant to the provisions of this section.

An order of humane euthanasia shall not be carried out until expiration of the thirty day period provided for in subdivision five of this section for filing a notice of appeal, unless the owner of the dog has indicated to the judge in writing, his or her intention to waive his or her right to appeal. Upon filing of a notice of appeal, the order shall be automatically stayed pending the outcome of the appeal.

4. A dog shall not be declared dangerous if the court determines the conduct of the dog (a) was justified because the threat, injury or damage was sustained by a person who at the time was committing a crime or offense upon the owner or custodian of the dog or upon the property of the owner or custodian of the dog; (b) was justified because the injured, threatened or killed person was tormenting, abusing, assaulting or physically threatening the dog or its offspring, or has in the past tormented, abused, assaulted or physically threatened the dog or its offspring; (c) was justified because the dog was responding to pain or injury, or was protecting itself, its owner, custodian, or a member of its household, its kennels or its offspring; or was justified because the injured, threatened or killed companion animal, farm animal or domestic animal was attacking or threatening to attack the dog or its offspring. Testimony of a certified applied behaviorist, a board certified veterinary behaviorist, or another recognized expert shall be relevant to the court's determination as to whether the dog's behavior was justified pursuant to the provisions of this subdivision.

5. (a) The owner of a dog found to be a "dangerous dog" pursuant to this section may appeal such determination, and/or the court's order concerning disposition of the dog to the court having jurisdiction to hear civil appeals in the county where the "dangerous dog" finding was made. The owner shall commence such appeal by filing a notice of appeal with the appropriate court within thirty days of the final order pursuant to this section. Court rules governing civil appeals in the appropriate jurisdiction shall govern the appeal of a determination under this section.

(b) Upon filing a notice of appeal from an order of humane euthanasia pursuant to this section, such order shall be automatically stayed

pending final determination of any appeal. In all other circumstances, the owner of the dog may make application to the court to issue a stay of disposition pending determination of the appeal.

6. The owner of a dog who, through any act or omission, negligently permits his or her dog to bite a person, service dog, guide dog or hearing dog causing physical injury shall be subject to a civil penalty not to exceed four hundred dollars in addition to any other applicable penalties.

7. The owner of a dog who, through any act or omission, negligently permits his or her dog to bite a person causing serious physical injury shall be subject to a civil penalty not to exceed one thousand five hundred dollars in addition to any other applicable penalties. Any such penalty may be reduced by any amount which is paid as restitution by the owner of the dog to the person or persons suffering serious physical injury as compensation for unreimbursed medical expenses, lost earnings and other damages resulting from such injury.

8. The owner of a dog who, through any act or omission, negligently permits his or her dog, which had previously been determined to be dangerous pursuant to this article, to bite a person causing serious physical injury, shall be guilty of a misdemeanor punishable by a fine of not more than three thousand dollars, or by a period of imprisonment not to exceed ninety days, or by both such fine and imprisonment in addition to any other applicable penalties. Any such fine may be reduced by any amount which is paid as restitution by the owner of the dog to the person or persons suffering serious physical injury as compensation for unreimbursed medical expenses, lost earnings and other damages resulting from such injury.

9. If any dog, which had previously been determined by a judge or justice to be a dangerous dog, as defined in section one hundred eight of this article, shall without justification kill or cause the death of any person who is peaceably conducting himself or herself in any place where he or she may lawfully be, regardless of whether such dog escapes without fault of the owner, the owner shall be guilty of a class A misdemeanor in addition to any other penalties.

10. The owner or lawful custodian of a dangerous dog shall, except in the circumstances enumerated in subdivisions four and eleven of this section, be strictly liable for medical costs resulting from injury caused by such dog to a person, companion animal, farm animal or domestic animal.

11. The owner shall not be liable pursuant to subdivision six, seven, eight, nine or ten of this section if the dog was coming to the aid or defense of a person during the commission or attempted commission of a murder, robbery, burglary, arson, rape in the first degree as defined in subdivision one or two of section 130.35 of the penal law, criminal sexual act in the first degree as defined in subdivision one or two of section 130.50 of the penal law or kidnapping within the dwelling or upon the real property of the owner of the dog and the dog injured or killed the person committing such criminal activity.

12. Nothing contained in this section shall limit or abrogate any claim or cause of action any person who is injured by a dog with a vicious disposition or a vicious propensity may have under common law or by statute. The provisions of this section shall be in addition to such common law and statutory remedies.

13. Nothing contained in this section shall restrict the rights and powers derived from the provisions of title four of article twenty-one of the public health law relating to rabies and any rule and regulation adopted pursuant thereto.

14. Persons owning, possessing or harboring dangerous dogs shall report the presence of such dangerous dogs pursuant to section two hundred nine-cc of the general municipal law.

§ 123-a. Exemption from civil liability. 1. If any dog shall, without justification, attack a person, or behaves in a manner which a reasonable person would believe poses a serious and unjustified imminent threat of serious physical injury to a person, when such person is peaceably conducting himself in a place where he may lawfully be, such person or any other person witnessing the attack or threatened attack may destroy such dog while so attacking, and no liability in damages or otherwise shall be incurred on account of such destruction.

2. If any dog shall, without justification, attack a companion animal, farm animal or domestic animal, or shall behave in a manner which a reasonable person would believe poses a serious and unjustified imminent threat of serious physical injury or death to a companion animal, farm animal or domestic animal, where such animal is in any place where it may lawfully be, the owner or caretaker of such animal, or any other person witnessing the attack, may destroy such dog, and no liability in damages or otherwise shall be incurred on account of such destruction.

§ 123-b. Offenses against service animals and handlers. 1.

3. 4. The handler of the service animal incapacitated, injured or killed shall have the right to pursue any and all civil remedies available to recover damages for medical and veterinary expenses, rehabilitation or replacement of the service animal, and lost wages, transportation expenses or other expenses directly related to the temporary or permanent loss of the service animal.

§ 124. Powers of commissioner. The commissioner is hereby authorized to:
